Participant's Declaration

When I apply to participate in Outings and Tours I declare:

- I understand that I am the person who is responsible for the state of my health at the time and I undertake to do all that is necessary as not to place other participants under stress or duress or to put them in danger because of the state of my health or behaviour.
- That to the best of my knowledge at the time that I will be fit enough to undertake Outings and Tours and I undertake to advise the Leader immediately should my health change while participating.
- That I will only participate in activities during the Outings and Tours where I am physically capable of doing so.
- That I am aware that photographs may be taken during the Outings and Tours and my image may be included in such photographs. It is with my full knowledge and approval should it occur that photographs are taken of me.
- In case of an accident, illness or emergency please contact the following person (preferably not a person who is likely to be on the same Outing or Tour):
