

SATURDAY, SEPTEMBER 5 will be the date for our outing to the **ILLAWARRA GREVILLEA PARK at BULLI**. This garden, run by volunteers, is home to a stunning and unique collection of grevilleas and other native plants in a tranquil park setting. Plants are also available for sale. Entry fee to the garden is \$7pp.

We will meet at Campbelltown Catholic Club carpark at 9am as the garden opens at 10am. We will travel along Appin Road, turning left into the Appin/Bulli Road, then down Bulli Pass and at the bottom of the pass follow the signage to Bulli/Wollongong along the Princes Highway. In approximately 1.2kms turn right at the traffic lights into Grevillea Park Road – towards the Greyhound track. Drive through the roundabout to access the garden.

A lunch venue will be decided on the day as there are plenty of choices. There is a great café at Bulli Beach, the Bulli Workers Club and many others or you could choose to bring a picnic lunch.

The following month on **SATURDAY, OCTOBER 10**, an outing is planned for the **ILLAWARRA RHODODENDRON AND RAINFOREST GARDENS** at Mount Keira. More details for this outing will be in the next Pro Buzz.

Both of these gardens are spectacular and well worth a visit and only a short drive from Campbelltown. Hope you will consider coming for an enjoyable day out.
