

The ILLAWARRA RHODODENDRON AND RAINFOREST GARDEN at Mount Keira will be the last garden visit for 2026 and we will visit on **SATURDAY 10TH OCTOBER**. This garden is set on the escarpment and is spectacular in Spring and only a 42 minute drive from Campbelltown. There is a \$5 entry fee (cash only, no change available) and no food either so bring some morning tea with you. There are plenty of options for lunch on the coast when we leave the garden.

We will meet at the Campbelltown Catholic Club carpark at 9am and travel down Appin Road, turning left in Appin towards Wollongong, then down Mount Ousley Road M1, turning **left** nearly at the bottom of the highway to NEW MOUNT PLEASANT ROAD (it is sign posted). At the next intersection turn right, back over the highway, then at the T intersection turn left. The Rhododendron Garden is on the right. It is only a couple of minutes' drive off the highway. Parking is available inside the gates.
