

OUR LAST WALK – PICTON “Out-n-Back”

On Monday 24th August, we had 14 walkers on our 6km “out-n-back” Picton walk. After coffee in Picton, we began our walk under a sunny sky with a temperature in the low twenties.

**OUR NEXT WALK – CRONULLA COASTAL WALK**

This out and back walk (yes, another one) begins from Cronulla Station. After coffee we will follow a sealed path south along the eastern shore of the Cronulla Peninsular to our turnaround at Bass and Flinders Point.

There is always plenty of activity to see during the walk, both on and off the water.

Please be aware of the presence of other path users.

Summary
