***Garden enthusiasts come along and listen to our Guest Speakers talk about their love of gardens and travel!***

**Penny Hegarty's** background is horticulture and having lived in Victoria, New South Wales and Queensland has experience in growing suitable plants for different conditions. During this time she obtained an Advanced Diploma in Horticulture and became an Ambassador for Garden Clubs of Australia. Penny also owned and operated a very successful nursery specialising in tropical plants and nowadays spends her spare time maintaining her prizewinning garden in Nambour. Penny's garden is open to the public and she also specializes in assisting people with their garden design.

Penny is currently the President of both the Nambour Community Gardens and Sunshine Coast Garden Club. Her love of plants and travel has seen her presenting at many clubs all over Queensland and Northern New South Wales. Penny's tours are garden orientated but general sightseeing is a must and always include the highlights of areas visited. As a tour organiser and hostess for over fifteen years Penny enjoys escorting like-minded people to all parts of the world.

**Brooke Broughton** - President of Leura Gardens Festival operating for over 50 years. Brooke has toured overseas on many Garden Tours.

**Bill Graften** Owner of Bay Tree Nursery Mount Victoria NSW - specialising in Cool Climate plants. Speaker at many Garden Clubs in the Blue Mountains and beyond. Bill offers a wealth of gardening knowledge.
